## **WORKS DEPARTMENT RESPONSIBILITIES**

Continues to maintain a berm to serve as a border barrier between bathers and traffic mainly for the protection of sun bathers.

Assist Sauble Park staff during spring clean-up within the Park and 2<sup>nd</sup> Ave beach area in removing of larger debris.

Sauble Park will remain in its natural state as much as possible. The Works Department will not be responsible for altering the course of nature, ie: will not truck sand from other areas to fill in low spots or use machinery to level or fill in areas.

If the necessity arises where a cottager requests work that can be done, the cottager will be responsible for any costs incurred. The Works Department will invoice the cottager and they will be responsible to payment.

## **LANDS MANAGEMENT RESPONSIBILITIES**

Continue to monitor and conduct compliance-related activities associated with each of the RLEMP key functions:

**Community Land use Planning** - integrating the goals of sustainable development, sound governance and economic viability, and promotion of safe, healthy, and secure environments.

**Management of Reserve Land and Natural Resources** - involves activities associated with transactions, and registration and approval processes for reserve lands registered in the Indian Land Registry, pursuant to sections of the *Indian Act*.

**Environmental Management** - identify and assess the environmental implications of land use policies, addressing potential environmental issues, and adopting sound environmental practices.

**Compliance with Policy and Legislative Frameworks** - conform to the regulations and enforceable provisions of the *Indian Act*, other federal legislation(s): the *Canadian Environmental Protection Act* (CEPA), the

*Canadian Environmental Assessment Act (CEAA) or, the Species at Risk Act (SARA) etc., along with applicable AANDC policies.*

## **ECONOMIC DEVELOPMENT OFFICERS RESPONSIBILITIES**

Regular monitoring of Park operations, staff, supplies, human resources issues and dealing with concerns of patrons and cottagers.

**Human Resources** – The staff that are hired by the Saugeen First Nation are involved in customer service training, an information session provided by the OPP, an information session with Employment Officer regarding policies for seasonal workers and they are all required to take First Aid and CPR training in the event they are required to assist. In addition the maintenance staff are required to complete WHMIS training. The schedules of all workers (maintenance and gate attendants) are done by the supervisors and they have authority to make changes and call in additional staff when they deem necessary. There is always an on-site supervisor that is in or close by the park to deal with concerns of patrons and enforce regulations and policies of the park.

**Management of Park** – Assessing operation and making changes to ensure safe operation. Planning for changes to streamline operation to reduce the labour component and increase the revenue generated. Responding to concerns, requests and suggestions from staff, guests and cottagers for the park. Working with the Band Council approved vendors in locating their operations and doing regular checks to deal with concerns from Park patrons and/or cottagers.

**Environmental** – Having regular checks done by the Saugeen Water Works Department to identify and assess the bacterial levels for safety of swimmers. Following health guidelines of closing beach to swimmers when levels are too elevated. Calling in the Health Canada inspector for specific environmental concerns.

**ALL RULES AND REGULATIONS ARE STRICTLY ENFORCED BY SAUBLE PARK STAFF, BY-LAW ENFORCEMENT AND THE O.P.P.**

Any violations of these rules will result in persons being evicted from the Park and/or charges being laid and may be refused re-entry into the Park in the future.

**“Sauble Beach Park”** means the shore allowance fronting Part of Block “A” and all of shore allowance fronting west of Lot, 17, 18, 19, 20 and 21 Concession “E”, in accordance to the Sauble Park By-law No. 05-06-1745 and as shown on attached map.

**“Designated Gates”** means certain gates set-up for the purpose of entering the Sauble Park.

*Any part of this document may be revised, changed or removed at the discretion of the Saugeen Band Council as per Bylaw 05-06-1745.*
